

THE ALL-NEW
GWM P500

MORE THAN ADVENTURE

www.gwm.co.za

EVOLVE YOUR EXPECTATIONS

THE ALL-NEW **GWM P500**

Gone are the days of the ordinary bakkie. Introducing a revolutionary force – a TRUCK, unlike anything you've ever experienced. Powered by a groundbreaking 2.0L turbo hybrid engine, the GWM P500 Hybrid unleashes unparalleled on-road performance and conquers off-road challenges with effortless dominance.

Also available in two impressive 2.4 turbo-diesel variants, simple pressure on the pedal in any of these machines unleashes an instant surge of power and exhilaration. Towing, hauling, or any task you throw its way - the GWM P500 tackles it with unwavering capability.

GWM P500

Model dependent features mentioned. Kindly consult specifications for details.

IS IT A BAKKIE?
IS IT A PICK-UP?

NO – IT'S A TRUCK!

The P500 redefines bakkie capability, that's why we call it a TRUCK! It delivers spine-tingling on-road performance while conquering off-road obstacles with unrivalled prowess.

This is the most powerful bakkie we've ever built, engineered to dominate any terrain you dare to explore.

Forget 'grand' – the P500 transcends expectations and makes a statement of refined luxury.

Squarer LED headlights create a sense of exterior style and sophistication.

The new P500 doesn't just command attention, it defines it. Its bold stance is accentuated by its sharp, square lines, adding a touch of modern sophistication and undeniable style.

DRIVEN BY INNOVATION

The P500 doesn't compromise on functionality either. The innovative 60/40 split-swinging tailgate adds a touch of design class while providing effortless access to the cargo bed, making loading and unloading a breeze.

Model dependent features mentioned. Kindly consult specifications for details.

AERONAUTICS-THEMED SHIFTER

14.6-INCH INFOTAINMENT HUB

UNVEILING NEW LEVELS OF LUXURY

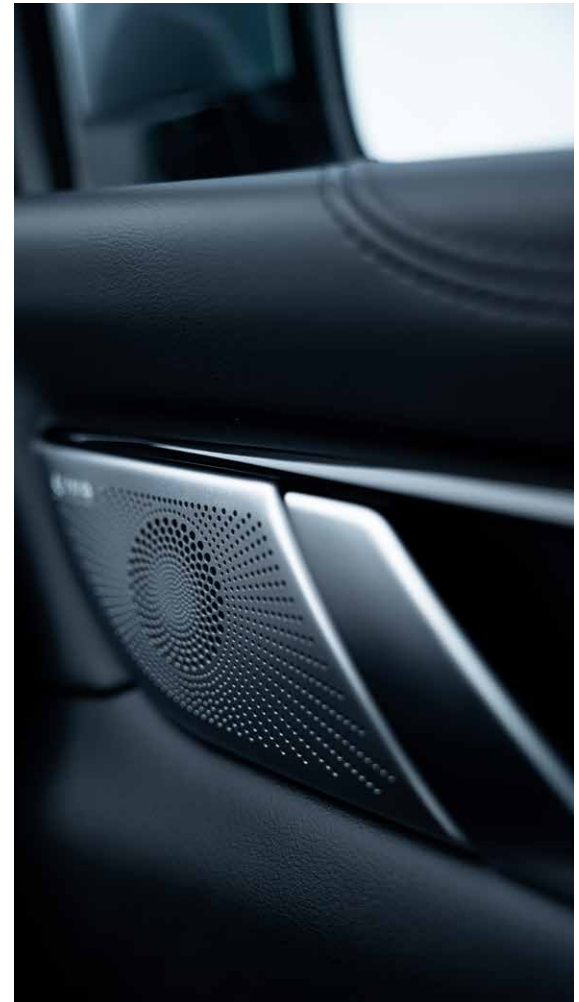

Step inside the P500 and discover a sanctuary of unparalleled refinement. A completely redesigned centre console takes centre stage, featuring two expansive, tablet-style screens framed by rich, woodgrain-inspired trim.

Sink into the most luxurious seats we've ever crafted, designed to deliver unmatched comfort for both driver and passengers on any journey.

The all-new steering wheel, wrapped in supple eco-leather, offers exceptional comfort and control.

A premium audio experience with 10-Speaker Harman Infinity Sound System.

Model dependent features mentioned. Kindly consult specifications for details.

TOW WITH EASE. EXPLORE EFFORTLESSLY.

The P500's 9-speed automatic and 3.5-tonne towing capacity handle any load. On-demand 4WD with 3 modes adapts to any terrain, making every adventure a breeze.

Packing a powerful

255 kW and **648 Nm**
2.0 L TURBO HYBRID

or a

135 kW and **480 Nm**
2.4 L TURBO DIESEL

engine variant.

A silver pickup truck is shown from a rear three-quarter view, driving on a vast, undulating sand dune. The truck is kicking up a cloud of dust and sand behind it. The scene is illuminated by the warm, golden light of a setting or rising sun, creating long shadows and highlighting the textures of the sand. The overall mood is one of adventure and ruggedness.

A NEW BREED OF PERFORMANCE

Conquer any terrain. The P500 boasts an advanced 4x4 system by Borg Warner, featuring a rear differential lock and 4WD low range. Handle tough off-road conditions with confidence.

Forget “state of the art” – the P500 elevates technology to an art form. Command your infotainment on a panoramic 14.6-inch touchscreen while monitoring vehicle gauges, alerts, and safety systems on the 12.3-inch digital virtual cluster. It’s a seamless fusion of control and visual brilliance.

Model dependent features mentioned. Kindly consult specifications for details.

Command the road with the P500's advanced features. Navigate with ease thanks to a 360° panoramic surround view system.

Enjoy a clutter-free cabin with wireless charging. Keyless entry and push-button start ensure a seamless driving experience from the moment you approach the vehicle.

**WHERE INTELLIGENCE
MEETS ELEGANCE**

The P500 sets a new standard for bakkie safety. Over 100 advanced active and passive safety features come standard, including Automatic Emergency Braking, Lane Keep Assist, Driver Fatigue Monitoring, and Traffic Sign Recognition. Experience the peace of mind that comes with knowing you're surrounded by cutting-edge technology, designed to keep you, your passengers, and everyone on the road safe.

ADVANCED DRIVER ASSISTANCE: 360° OF CONFIDENCE

connective**CARE**
connected to, and caring for you

Every GWM comes with GWM Care. It begins from the moment you take delivery of your vehicle and continues long into the future. Wherever the road leads, you can rest assured knowing that your GWM will be kept at its best for many years to come.
